

CONFLICT OF INTEREST CODE FOR THE
SAN DIEGO COUNTY LAND USE AND ENVIRONMENT GROUP

The Political Reform Act, Government Code Section 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, 2 Cal. Code of Regs. Section 18730, which contains the terms of a standard conflict of interest code. It can be incorporated by reference and may be amended by the Fair Political Practices Commission after public notice and hearings to conform to amendments in the Political Reform Act. Therefore, the terms of 2 Cal. Code of Regs. Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendices in which members and employees are designated and disclosure categories set forth, constitute the conflict of interest code of the Land Use and Environment Group.

Designated employees shall file statements of economic interests with the agency who will make the statements available for public inspection and reproduction. (Gov. Code Section 81800.) Upon receipt of the statements of the San Diego County Land Use and Environment Group, the agency shall make and retain a copy and forward the original of these statements to the Clerk of the Board of Supervisors. Statements for all other designated employees will be retained by the agency.
